

# Electrical and Automation Products for Factories and Buildings

Delivered Fast | Designed Locally

Contact us  [sales@vireonsystems.com](mailto:sales@vireonsystems.com)

## Our Products

### Cables & Wires

Aerial Bunched Cables, Single Core, Multi-core Cables

Mfg. Location  
Kolkata

### Busducts

Sandwich Busducts

Mfg. Location  
Pune

### Control Panels

MCC, PCC, APFC, VFD, PLC

Mfg. Location  
Ahmedabad & Pune

### Automation Design

Smart, scalable automation tailored for manufacturing.

- Boost efficiency by 15–25%
- Predict failures with 94% accuracy
- Real-time multi-plant dashboards
- AI-driven process & quality control

Mfg. Location  
In-house

## Why Choose Us?

### 10x Faster Delivery Time

Strategic Production Planning, Local Hubs for Inventory

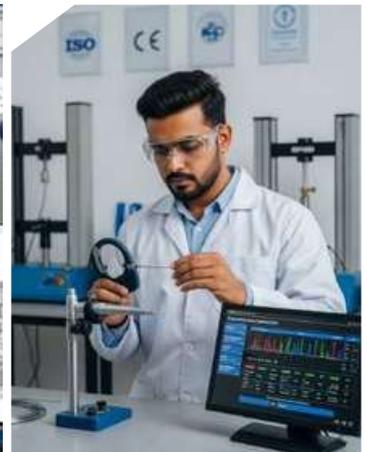

### Made for Local Conditions

Built to withstand voltage swings, heat, and dust—ensuring reliable performance in harsh environments.

### Design-to-Installation Solutions

We offer end-to-end automation solutions—from design to commissioning—under one roof.

### Best-in-Class Quality

Every unit passes rigorous global-standard testing for safety, durability, and compliance.
